

## **Product Assembler**

Zaber Technologies ([www.zaber.com](http://www.zaber.com)) is looking for a Product Assembler.

This is a full-time position with flexible hours. The Product Assembler will work primarily within the Production Team, as well as with other staff. The ideal candidate will organize their work for optimal efficiency, be comfortable multitasking, and will learn to evaluate the current and projected needs of production in order to prioritize their work and self-manage.

## **Desired qualities**

- Cheerful attitude, good sense of humour, and willingness to learn
- Hard working; ability to self-manage
- Good manual dexterity and hands-on skills
- Experience with electronics, soldering, and wire crimping
- Excellent attention to detail
- Excellent verbal communication skills, including listening skills
- Strong organizational and time management skills
- Strong sense of commitment and integrity
- Basic computer skills in a Windows environment
- Diploma in Mechatronics or equivalent an asset
- Previous experience in a manufacturing environment an asset

## **Responsibilities**

The following are the responsibilities of the position, including the approximate fraction of time we expect to be spent on each.

- Assembling various motion control products - 50%
- Building cable assemblies and mechanical sub-assemblies - 40%
- Editing and updating work instructions as necessary - 10%

**Wage:** \$17 per hour

## **About us**

Zaber Technologies is an established and steadily growing employee-owned company that designs, manufactures, and sells precision motion control equipment for high-tech markets around the world.

We strive to create an open, friendly, and high-achieving work environment. Our staff are progressive, enthusiastic individuals whose hobbies and interests are reflected in the work we do. Some aspects of Zaber that our employees especially enjoy include the people, the sense of community, flexible hours, level of employee engagement, employee-organized group activities and opportunities to learn. Most of us cycle, bus, or carpool to work and put in extra effort to make sustainable choices. Last, but not least, our office has several friendly dogs.

## **How to apply**

Email a cover letter with attached resume to [careers@zaber.com](mailto:careers@zaber.com). As the subject of your email, use "Application for Assembly Position from <Your Name>". In your cover letter, please indicate how you heard about the job posting and describe something you have built yourself.

If you are viewing this posting on a website other than Zaber's, you may want to visit [www.zaber.com/careers](http://www.zaber.com/careers) to confirm that it's still open. You may also see other postings there that are of interest.

Successful applicants will be contacted within two weeks to schedule an interview.
